THE BURGLAR A SMALL BOY. the Skin and His Pocket

Full of Pickles. Grocer George Betz, of 63 Sumner ave nue, Williamsburg, has had his place robbed four times in as many months. Last week he rigged a lot of boxes so they would hide a cot in which he reclined at night. He armed himself with a big revolver and a dark lantern. At 3 o'clock this morning the grocer heard a noise. He jumped up and pulling back the hammer of the revolver

"Look out, I'm going to shoot." The stience was oppressive, Finally e grocer with revolver in hand went searching about the store. He was givng up the search when he heard a hoking cough, and turning his searchlight on a big barrel of new Spring pickles, he saw a very pale face. 200,000 Chi.dren Clamored for Henry Killan, who lives at 61 Sumner avenue. He was wet to the skin and had his pockets full of pickles. The

liminutive thief was taken to a police station. This morning he was held by Justice Goetting for examination on a charge of VALKYRIE MAY DO BETTER.

"GOT IN THE WHIP'S WAY."

abman Ledden Held for Striking Little Frank Girard.

Enlarged Buildings Insufficient to Several Italian children were annoy ng Cabman Henry Ledden, of 192 Hua son street, yesterday afternoon, in front of his employer's, William Hunter's liv-ery stable, at 162 and 164 Sullivan street. The children were driven away several imes, and retaliated by throwing stones at the cab, one of the stones breaking a MORE SCHOOL-HOUSES NEEDED. vindow of the vehicle.

Ledden finally seized a whip and ran after the youngsters. They dodged around the cab, and he struck at them. Six-year-old Frank Girard, of 14i Sullivan street, "got in the way of the whip," according to Ledden's story, and was struck across the left cheek. The lash left a long, livid scar on the child's face. face. Howling with pain, young Girard ran across the street to his mother, who went to the Macdougai street stationshouse. Policeman Flaherty arrested Ledden.

In Jefferson Market Court this morning the prisoner ordered that the key

In Jefferson Market Court this morning the prisoner protested that the boy had been struck by accident. He said he intended merely to frighten the children, and young Girard had unexpectedly run within his reach as he cracked the whip. The prisoner's employer, William Hunter, corroborated the cabman's story.

Magistrate Cornell held Ledden in \$309 bail for trial.

To demonstrate its absolute an periority the Defender has to win first day of the new school year, and the cachers and children, all but the lisping toddlers who were just old enough to blossom out of babyhood and begin at the year beginning to the year beginning

MILK MUST BE PURE.

ing through a vacation that began with The Attorney-General Makes Cron

well G. Macy a Deputy. Cromwell G. Macy, who for some cears has been principal legal adviser schools last May, and it is estimated of the Produce Exchange, received offi-cial notice this morning of his appointnent as special deputy State Attorney leneral, to prose ute cases for food adulteration in the district comprised by Kings, Queens, New York, Suffolk dustrious during the long vacation in and the southern half of Westcheste repairing and refurnishing the old Countles. hools, and some have been enlarged

Since "The Evening World" opened war upon the sale of impure and adulerated milk, the State Agricultural Department has had its hands full dealing with cases in New York alone.

for 10,500 pupils, and yet it is estimated The Board of Health handled cases that 40,000 children of school age will be turned away, because under the hamindependently, and has many that have and nothing to indicate any dis- point: pering laws and red tape rules, the Board has been unable to provide ade-

oleomargarine. oleomargarine.

Mr. Macy said to an "Evening World" America Cup
reporter this morning that he owed his appointment to the influence of the Produce Exchange. Heretofore the Dairy Commission selected its own lawyers, but it worked so unsatisfactor-like the lawyers, but it worked so unsatisfactor-like the lawyers, but it worked so unsatisfactor-like the lawyers and to an "Evening World" America Cup
Valkyrie III. will meet Defender for a second bout on the high sea over a course of thirty miles. This time they will ensue one of the prettiest scenes of the race. Skippers lawyers, but it worked so unsatisfactor-like the first leg to start that and Cranfield will immediately beits and malefactors, and provides for twelve officers in each ward to arrest these involuntary truants. But by Nov. I there will be sittings for 4,000 more buildings will be ready for 25,000 more ily that the power was vested in the to windward it possible, from the Sandy There are 339,756 children from five to

DON'T THROW PAPER!

ing Issues a Manifesto. Commissioner of Street-Cleaning Ge-

E. Waring, jr., lasued the following to "The time has come when the people of this town must be persuaded, or

and the streets. "This Department, with the hearty support of the Police Department, has the power, and is going to exercise it, to put a stop to the present intolerable carelessness in this regard. Those who

violate the law relating to this subject will be arrested and duly punished. "This warning is intended especially for those who throw things into the streets wilfully or through wilful negligence. It is believed that the majority of citizens need only to have their attention actively called to the subject, and it is hoped that these will soon be-

behalf of the intended reformation. "The 'Consolidation act,' which is the organic law of the city, says: 'No person or persons shall throw cast or lay, or direct, suffer, or permit

any servant, agent or employee to throw, cast or lay any ashes, offal, vegetables, garbage, dross, cinders, sheds, straw, shavings, paper, dirt, filth or rubbish of any kind whatever, in any gutter, street, lane or siley, or in any

public place in the city. "The wilful violation of any of the foregoing provisions of this section shall be and is hereby declared to be a mis-demeator, and shall be punished by a fine not less than \$1 nor more than \$10 or by imprisonment for a term of not less than one nor more than \$10 or by imprisonment for a term of not less than one nor more than five days.

Trainated into plain English, this means that any person who throws a bit of paper or anything else into the street, or who sweeps a sidewalk into the gutter, is guilty of a misdemeanor, and is subject to a fine. The sweepings of sidewalks must be taken up, and people who want to get rid of bits of paper must carry them to some place where they can dispose of them in a lawful way.

It is much the duty of every sweeper.

way.

"It is made the duty of every sweeper,
"It is made to dismissal, to see that under penalty of dismissal, to see that the offenses referred to are at once taken in hand by the police. The super-ntendents and foremen of the Depart-ment of Street Cleaning have themelves the right of arrest, and they will selves the right of arrest, and they will exercise it.

"It is hoped that the severe discipline indicated herein need not be resorted to. It is, however, a determination which will, if necessary, be carried out relembessly, that the littering of the streets is to be stopped, if the law and the police can stop it."

CLARKE SHOOTS HIS CURVES. against the English Spruce IV

Run Scored.

then fell back, but did not succeed in displacing the Brooklyntte. On the back

play was called.

Latham, 3b. McPhee, 2b. Ewing, 1b. Miller, rf. Smtth, 88. Hoy, cf. Vaughn, c.

First Inning.

HAVANA, Sept. 9.—The steamer Luzon has arrived here with 699 sol-diers of the Engineers Corps. The teamers Montevideo and Buenos Ayres akons of the Soria, Alava, Barcelona Dr. Burnette It Is Said, Contracted officers and 4,100 men. They were given

Sabbatarians Against Sufficanties. The Michael J. Sullivan Association, of Long. Island City, held a ptrain yesterday at Corona, L. L. On the way William Haggerty fell under

Firemen to Ride Bicycles.

A bloycle league made up entirely of fremen has seen farmed in this city. About 300 members are already enrolled, and many more are expected to join. The men will ride to and from their work, and there is talk of a chemical continue of their work, and there is talk of a chemical continue of the continue of
